

Agenda for TRA Sustainable New Energy Forum

The 11th International Summit on Power Battery Applications (CBIS2026) Overseas Session

(Updated on April 20th, 2026)

Meeting Time: May 19th, 2026, 14:00-17:40
Meeting Location: Budapest Expo Center, Hungary
Moderator: Fei Liu, Vice Chair and CSO, Power Battery Application Committee

Time	Topics	Invited Guest
14:00-14:30	Opening Ceremony Addresses	Leader of the Batteries European Partnership Association Prof. Peter Kaderják, CEO of The Hungarian Battery Association (HUBA) Dr. Jincheng LIU, Chairman of Power Battery Application Subcommittee/Chairman of Huizhou Yiwei Lithium Energy Zhang Yu, Secretary General of Power Battery Application Committee / Co-founder, CEO of CBEA
14:30-15:00	Keynote Speech: Exploration and Breakthrough of All-Solid-State Lithium Metal Batteries	Huiming CHENG, Academician of the Chinese Academy of Sciences , Fellow of The Developing Countries Academy of Sciences, and Foreign Academician of the Academia Europaea
15:00-15:20	Progress of All-Solid-State Battery Industrialization	REPT Battero
15:20-15:40	Opportunity of Battery Industry Cooperation between China and Hungary.	Hungarian Investment Promotion Agency (HIPA)
15:40-16:00	Think Global - R&D Local	SAMSUNG SDI Hungary
16:00-16:20	<i>Tea Break and Networking (20 minutes)</i>	
16:20-16:40	Advanced Recycling Technologies Empowering Sustainable Growth	JIRUI New Energy Technology
16:40-17:00	Application of AI Algorithms in Battery Thermal Management System Design	SVOLT Energy Technology
17:00-17:30	Keynote and Panel Discussion on the ever-growing Battery Energy Storage (BESS) industry Globally and Europe.	Moderated by NKFIH/Bay Zoltan Research Institute/CBIS
