

The Finnish Transport Safety Agency (Trafi) is the Agency which is responsible for transport regulation and supervision, improving traffic safety, and reducing its impact on the environment. In order to carry out these tasks we receive information from you as well as from other authorities and from some companies. We have created this statement so that you can easily see what information Trafi collects and how is it used and what choices you can make regarding your own information.

Basic register data

Register name Newsletters and notifications relevant to the TRA conference	
Controller Finnish Transport Safety Agency (Trafi)	Controller's contact details PO Box 320, 00101 Helsinki kirjaamo@trafi.fi telephone +358 (0)29 534 5000
Controller's Data Protection Officer Leila Hanhela-Lappeteläinen	Contact details for the controller's data protection officer PO Box 320, 00101 Helsinki kirjaamo@trafi.fi telephone +358 (0)29 534 5000
Grounds for and purpose of data processing The data subject has subscribed to e-mail newsletters and/or notifications for the TRA conference by joining the relevant distribution lists. By subscribing, the data subject has given their consent to the processing of their personal data in order to receive e-mail messages. The data subject has the right to withdraw their consent at any time by cancelling their subscription through the link contained in the newsletters or notifications.	

Data content

Register data	Data subject's name Organisation E-mail address
Sources of register data (where the data are obtained from)	Data subject's subscription
Storage period of personal data	The data will be stored on Trafi's TRA distribution list until the data subject removes their name from the list, or notifications and/or newsletters are no longer sent out.

Data processing

Recipients and recipient groups of personal data (who data are disclosed to)	The data of data subjects who have given their specific consent to this in connection with their subscription will be disclosed to organisers in host countries of TRA conferences to be held after 2020, which are EU Member States.
Processing of personal data on behalf of the controller	The register data are processed by Koodiviidakko Oy. The data reside in this company's information system, from where notifications and newsletters are sent to the recipients. Koodiviidakko Oy operates on behalf of Trafi.
Transfer of personal data to third countries outside the EU	Data will not be transferred to countries outside the EU.
Processing of personal data for purposes other	

than those for which the data were initially collected	The data will not be used for any other purpose besides the one for which they were originally collected.
Automatic decision-making and profiling	Not applicable.

Data subjects' rights

Right to access their own data	Data subjects shall have the right to know whether the Finnish Transport Safety Agency is processing personal data relating to them or not, as well as to have access to personal data relating to them that is being processed by Trafi.
The right to rectification of data	Data subjects shall have the right to demand that Trafi corrects inaccurate personal data or supplements incomplete personal data.
The right to lodge a complaint with the supervisory authority	Data subjects have the right to lodge a complaint with the supervisory authority, if they consider that the processing of their personal data is in breach of the EU's General Data Protection Regulation. This right is without prejudice to any other administrative or judicial remedy.
